Derek Bensley

BANC is a non profit making company limited by guarantee, registered in England No. 2136042. Registered charity No. 327595.

ECOS is printed by Severnprint on Evolution Paper and Board which has a 75% recycled content (and 50% post consumer waste). The electricity used during printing is sourced from Ecotricity which is electricity generated from renewable sources. The magazine is printed under the SylvaPack environmental print route using a waste reducing production system, reusable boxes for delivery and a donation is made to Tree Aid to support tree planting schemes in sub-Saharan Africa.
